DX COURIER

DX COURIER BENEFITS:

- **Next day delivery** – be sure that your items will arrive on the next working day
- **Express options** – customer choice on the deadline for delivery
- **Easier processing** – no need to size or frank items
- **Convenience** – our couriers can collect all your items from your business premises every afternoon
- **Significant cost savings** – with our highly competitive pricing

DX Courier is easy to use and provides peace of mind along with exceptional value for money.

Reliability and great value for money with packets and parcels up to 20kg

DX Courier provides services that are ideal for companies who regularly deliver to the same locations, such as:

- High street retail outlets
- Retail parks
- Offices or sites within a branch network

Working with the likes of Vodafone, AIB and Dunnes Stores, we have a track record connecting multi-site organisations with supplier and customer locations that demand timely, reliable deliveries.

Our reputation for fast, reliable and cost-effective delivery solutions means that more than 16,000 businesses and organisations rely on **DX Courier**, including:

- Major retailers
- Dentists
- Opticians
- Legal firms
- Banks
- Government

In addition to standard overnight delivery and afternoon collections, **DX Courier** offers a range of options:

- Delivery time options to suit your needs
- Bar-code tracking and proof of delivery options
- Tracking delivery status via the web

DX TO YOU

Added convenience

Building on our core DX Exchange product, DX To You offers you the convenience of getting your DX mail delivered to your door in the morning or collected from your office in the evening.

TRUSTED DX SERVICES :

DX is Ireland & the UK's leading independent mail and courier company providing a range of products and services delivering approximately 40,000 items per day in the B2B market.
